Applicant's claims 1 – 13, 21 and 23 - 28 are allowable over the references of record because none of these references disclose or can be combined to yield the claimed semiconductor device comprising a barrier film having a monolayer of elemental barium atoms on the substrate and the conductor or the metallic material in physical contact with the barrier film, in combination with the remaining claimed limitations.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
